PROPOSAL NO. 143, 2015. Councillor Adamson reported that the Public Works Committee heard Proposal No. 143, 2015 on May 7, 2015. The proposal, sponsored by Councillors Lewis and Adamson, appropriates the proceeds of IndyRoads Revenue Bonds, not to exceed \$35 million, to fund the cost of certain street, road, curb and sidewalk projects, along with incidental expenses. By a 7-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

The President called for public testimony at 7:57 p.m.

Mr. Vaughn said that they are only resurfacing a half inch and it will only last two to three months, and the materials and work is superficial and is an election year push.

Councillors Adamson and Barth said that this has been in the works for many years, and this is the second phase and has nothing to do with an election year.

Councillor Mansfield said that her district will benefit greatly from these dollars, as it does not all go toward re-paving, and there will be sidewalks in areas that lack safe walkways.

Margaret Gross, citizen, said that there are some newly paved areas that seem to be in disrepair after less than a year. She asked if the Council could speak to Public Works about their standards, as the standards seem sub-par.

Councillor Freeman said that it is ironic that they argued about \$4.7 million for police officers' equipment, and there seems to be no qualms about approving this amount for Public Works. He said that a couple of situations have come up in the last few weeks with regard to Public Works and their administration of those parking dollars, spending excessive money on electric cars and no-bid contracts with ridiculous per-car prices. He said that he has many issues with Public Works right now. He will support this, but he hopes there is a bi-partisan effort to address these recent issues.

Councillor Pfisterer said that these are needed projects, but she agrees that some of the re-paving seems to be sub-par and should be lasting much longer.

Councillor Adamson said that when this body approves an appropriation, it is not always used for the same purpose as testified in the committee. He said that if they have to allocate one project at a time to have better oversight, this will end in gridlock and keep projects moving forward. They need an administration that will tell the truth.

Councillor Miller said that a majority of these funds are 2016 projects, so it has nothing to do with an election year. He said that he agrees that some of the work by Public Works has been sub-par, and he has fought for them to re-do some projects in his area, and he urged citizens to call their Councillors and report shoddy work.

Councillor Hickman said that Councillor Adamson has been complaining about the quality of work for many years, and DPW asked for more money, and they were denied until they provided more information.

Ms. Gross asked what citizens can do to get this addressed and brought forward, because their money is being wasted. Councillor Barth said that testifying here is a start. He said that they can also document when they see poor work and write down the names of the people with DPW they have spoken to. He asked them to report shoddy work. Ms. Gross asked if she can meet with her Councillor, Councillor Gooden, to discuss ways to keep this administration from wasting their tax dollars.

Robert Ajax, citizen, said that he had to replace an entire wheel and a couple of tires due to poor roads and poor quality repair jobs. He said that a quality report inspector needs to examine these projects and make sure things are being done properly.

Councillor Oliver asked if someone is present from DPW to answer questions. Seeing no one present, Councillor Oliver asked that the administration make the effort to have personnel available when these items come before this body to answer questions.

Councillor Gooden said that there are always warranty obligations and bond claims, and citizens should make a note of when a project is finished and when deterioration is noted. If they then report this information to their Councillors, they can investigate. Ms. Gross asked if instead of asking the citizens to do all the work, the Councillors can be pro-active and demand accountability from the administration.

There being no further testimony, Councillor Adamson moved, seconded by Councillor Barth, for adoption. Proposal No. 143, 2015 was adopted on the following roll call vote; viz:

29 YEAS: Adamson, Barth, Cain, Clay, Evans, Freeman, Gooden, Gray, Hickman, Holliday, Hunter, Jackson, Lewis, Lutz, Mansfield, Mascari, McHenry, McQuillen, Miller, Moriarty, Adams, Oliver, Osili, Pfisterer, Robinson, Sandlin, Scales, Shreve, Simpson

SPECIAL ORDERS - FINAL ADOPTION

PROPOSAL NO. 121, 2015. Councillor Mansfield reported that the Administration and Finance Committee heard Proposal No. 121, 2015 on April 28, 2015. The proposal, sponsored by Councillor Hickman, determines the need to lease approximately 3,373 square feet of space at 5226 Elmwood for use by the Marion County Assessor. By a 7-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

Councillor Lutz said that they voted recently on the sale of the West Office, and the Assessor said that they were planning on moving one of the eastside offices further west. He does not understand why they are entering into this lease now. Councillor Moriarty Adams said that there is another office lease that is up for renewal in November, and they are looking at some properties further west and south in the next few months instead of renewing that particular location lease. Councillor Lutz said that he feels Wayne and Decatur Townships are not currently being served, and he is concerned they are leasing space in an area where they already have one office. Councillor Moriarty Adams said that the Assessor is looking into locating services in the Wayne Township Trustee's Office. Councillor Lutz said that he understands this is being discussed, but the services need to be more equally spread across the county. Councillor Moriarty Adams said that they will keep Councillor Lutz apprised as they continue to look at locations.

Councillor Hunter asked if all public hearings and advertisements have been adhered to with this lease. Councillor Moriarty Adams responded in the affirmative.

Councillor Mansfield moved, seconded by Councillor Hickman, for adoption. Proposal No. 121, 2015 was adopted on the following roll call vote; viz:

25 YEAS: Adamson, Barth, Cain, Clay, Gooden, Gray, Hickman, Holliday, Hunter, Jackson, Lewis, Mansfield, Mascari, McQuillen, Miller, Moriarty Adams, Oliver, Osili, Pfisterer, Robinson, Sandlin, Scales, Shreve, Simpson, Tew

Proposal No. 121, 2015 was retitled GENERAL RESOLUTION NO. 7, 2015, and reads as follows:

CITY-COUNTY GENERAL RESOLUTION NO. 7, 2015

PROPOSAL FOR A GENERAL RESOLUTION determining the need to lease approximately three thousand, three hundred and seventy three (3,373) square feet of space located at 5226 Elmwood Avenue, Indianapolis, Indiana, for use by the Marion County Assessor.

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. The City-County Council, pursuant to Indiana Code § 36-1-10-7, has investigated the conditions requiring the subject lease and hereby determines that the lease of approximately three thousand, three hundred and seventy three (3,373) square feet of space for use by the Marion County Assessor, on behalf of Marion County, is needed.

SECTION 2. The property to be leased is located at 5226 Elmwood Avenue, Indianapolis, Indiana and is owned by the Doyle T. Haywood d/b/a Haywood Properties LLC.

SECTION 3. This resolution shall be in full force and effect upon adoption and compliance with I.C. § 36-3-4-14.

PROPOSAL NO. 125, 2015. Councillor Moriarty Adams reported that the Public Safety and Criminal Justice Committee heard Proposal No. 125, 2015 on April 29, 2015. The proposal, sponsored by Councillors Moriarty Adams and Pfisterer, approves a transfer of \$31,500 in the 2015 Budget of the Marion County Circuit Court (County General Fund) for contractual services and office furniture. By a 9-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

Councillor Gray said that he does not understand using \$30,000 for consultants and \$1,500 for furniture. He asked what they will be doing. Sue Patterson, Director of Finance, Marion Circuit Court, said they have constitutional responsibilities and when issues arise in the Legislature, they need representation on these issues. The furniture costs are due to the chairs in the Paternity Court desperately needing replaced. Councillor Gray asked what the term is for the consultant contract. Ms. Patterson said that it is for one year. Councillor Gray asked if it would be up for renewal at that time. Ms. Patterson responded in the affirmative. Councillor Gray asked if this will end up being a lifelong contract. Ms. Patterson answered in the negative, but stated that it will probably end up being a multi-year contract.

Councillor Evans asked if the lobbyists have already been decided. Ms. Patterson said that the judge has chosen Ice Miller as the lobbying firm.

Councillor Freeman said that he understands the concern about this expense, but with the city spending \$32 million on electric cars, while Councillor Hunter's chair is falling apart in this very meeting so that he is falling off of it, this expense makes more sense. He said that the Paternity Court is in great disrepair and needs some help; and there are some major issues facing the courts due to Legislation that affects them.

Councillor Gray said that he is not opposed to the expenditure, but it is always good to understand the explanation for the dollars.

Councillor Lutz said that he would like to see more of the money invested in the Circuit and Paternity Courts, but the General Assembly has really messed up the small claims courts due to recent legislation. He asked his colleagues to support this good Democrat judge.

Councillor Moriarty Adams moved, seconded by Councillor Sandlin, for adoption. Proposal No. 125, 2015 was adopted on the following roll call vote; viz:

26 YEAS: Adamson, Barth, Cain, Clay, Evans, Freeman, Gooden, Gray, Hickman, Jackson, Lewis, Lutz, Mansfield, Mascari, McHenry, McQuillen, Miller, Moriarty Adams, Oliver, Osili, Pfisterer, Robinson, Scales, Shreve, Simpson, Tew
